### **St. Tammany Humane Society seeking Partners & Sponsors for "WOOFSTOCK 2015"**

*Mandeville, LA* – Planning has begun for Woofstock 2015, St. Tammany Humane Society 26<sup>th</sup> Annual Festival & Low Cost Vaccine Clinic to become the Northshore's first ever Mega-Adoption Event. The 2015 event is to be held at the Castine Center in Mandeville on Sunday, March 1st.

Inspired by the Mega-Adoption events that currently take place in Los Angeles, California and Jacksonville, Florida, Woofstock 2015 would feature over 200 adoptable dogs and cats from St. Tammany Humane Society and other area rescue groups and shelters with the goal of finding homes for a hundred or more of the animals present. All participating rescue groups would agree on one low cost adoption fee and there would be a streamline adoption process during the event.

In order for this to happen, the St. Tammany Humane Society is currently seeking sponsors, food vendors, and rescue groups to make this adoption event a success. If you'd like more information on partnering with the Humane Society for this event, please contact event coordinator, Michele Nazar at 985-892-7387 or [volunteers@sthumane.org](mailto:volunteers@sthumane.org).

This is the St. Tammany Humane Society's 62<sup>nd</sup> year in operation and our 26<sup>th</sup> annual spring low cost clinic and fundraising event. Woofstock is our largest community event each year, with over 450 dogs expected to go through the low cost vaccine clinic, as many homeless pets as possible adopted into their

new homes, and everyone enjoying the festival-like atmosphere. There will be dog and costume contests, a Woofstock marketplace featuring local vendors, humane education, children's activity area, live music, and fun festival food and drink. It is truly a fun and exciting day to spend with your family and the family dog.

Funds raised by this event will help to change the lives of hundreds of animals in our parish providing them food, shelter, veterinary services, and the opportunity to be adopted into a great home.

Organizational Information:

*The St. Tammany Humane Society is Louisiana's largest non-profit, no-kill animal welfare organization and shelter. Since 1953, the St. Tammany Humane Society has been serving the unwanted, neglected, abandoned, and abused animals of the gulf coast region. St. Tammany Humane Society is an independent, non-governmental shelter that offers veterinary care, fostering, and adoption services. We rely solely on the support of caring people like you to fund programs and services that profoundly benefit the animals of our community. Join us in our mission to save every adoptable pet in St. Tammany Humane Society and help us reach the goal of No More Homeless Pets while becoming a no-kill Parish.*
