

CITY OF MANDEVILLE

New Flood Map Open House for Residents

FEMA has issued new flood maps for the City of Mandeville that might affect your property and your flood insurance rates!!

You are encouraged to attend one of the Open Houses in order to view the new flood map for your area, and to learn how a new flood map might affect you. At the Open House, city staff and regional and state floodplain management personnel will be on hand to answer all of your questions individually, and to explain the steps that you need to take in order to take advantage of possible savings!!

You are welcome to attend any meeting that is convenient
