## MONEY HILL REAL ESTATE OPENS

The doors are open and the first transactions are already underway at Money Hill Real Estate.

No, we're not going to be competing for property listings off site, but we can now list properties here at Money Hill when owners choose to list with us and take advantage of the services and member network we offer.

Mimi Goodyear Dossett and Kathy Prokasy, Realtor, are spearheading the new operation with a little help from our friends at Meredith, Mauti, Scoggin Real Living.

You'll be able to conduct real estate transactions as you would with any other brokerage and more easily locate our property listings on MLS. We've also structured some very favorable commission splits for undeveloped land, making those sales worth your while.

We're looking forward to working with you, whether you have listed properties at Money Hill, or have buyers who want the unique lifestyle we offer.

*You're always welcome here at Money Hill. Call Kathy Prokasy at 985.892.3300 ext. 203 for more information.*

## REGISTER ONLINE

Realtors, would you like your clients to see Money Hill, but need someone to give them a special tour of the grounds? Simple. Register your clients with us online and let us do the work. (Choose the Real Estate pull down menu on the website and select Client Registration.) It takes only a few minutes to safeguard your clients with us.

## HIGHWAY 435 LOOKIN' GOOD!

No one is any happier than we are that the Highway 435 state road resurfacing and widening project is finished. Not only have we been enjoying the results since late summer, but our surrounding neighborhoods along the highway have joined together with some of our Money Hill residents to form an improvement association. They will be working on continued, long-term, beautification projects along the highway.
